## Environmental Policy

We recognise that RockAcad Limited has a responsibility to the environment beyond legal and regulatory requirements.

We are committed to reducing our environmental impact and continually improving our environmental performance, and we encourage our students and the organisations we work with to do the same.

Director: David Green

Date of Last Review: August 2022.

Next Review Date: August 2023.

We endeavour to:

- Comply with and exceed all relevant regulatory requirements.
- Continually improve and monitor environmental performance.
- Continually improve and reduce environmental impacts.
- Increase employee awareness and training.

Energy

- We will seek to reduce the amount of energy used as much as possible.
- Lights and electrical equipment will be switched off when not in use.
- Heating will be adjusted with energy consumption in mind.
- The energy consumption and efficiency of new products will be taken into account

before purchasing them.

Paper

- We will minimise the use of paper in the office.
- We will seek to buy recycled and recyclable paper products.
- We will reuse and recycle all paper where possible.
- 

Office Supplies

- We will evaluate the environmental impact of any new products we intend to purchase.
- We will favour more environmentally friendly and efficient products wherever possible.
- We will reuse and recycle everything we are able to.
- 

Maintenance and Cleaning

- Cleaning materials used will be as environmentally friendly as possible.
- Materials used in office refurbishment will be as environmentally friendly as possible.
- We will only use licensed and appropriate organisations to dispose of waste.
